

Roseburg is a family-owned, vertically integrated forest products company with a long-term commitment to building shareholder value and securing opportunities for our team members. We believe in and we value talented passionate people; conscientious stewardship; continuous improvement, product quality and proven stability.

We currently have an opening for a:

WOOD FIBRE MANAGER

This position is responsible for executing and overseeing site wood fibre procurement. Responsibilities will also include but not limited to the strategic forecasting, contract negotiation, and development of wood fibre procurement and procedures.

Required Qualifications

- Bachelor's degree in forestry, wood science, sustainable biomaterials (or related), and a minimum of five (5) years' experience in the forest industry
- Registered Professional Forester RPF designation would be an asset.
- Minimum of 3 years' successful experience managing people and working in a cross-functional environment
- Excellent time management and organizational skills

Preferred Qualifications

- Bilingual in French and English
- Knowledge of purchasing procedures and practices
- Proven negotiation skills
- Strong working knowledge of Microsoft Outlook, Excel, Word and PowerPoint
- Familiarity with raw material tracking/accounting software platforms

Key Responsibilities

- Control and coordinate the purchase of bark, chips, sawdust and other raw materials as required
- Negotiate contracts and agreements including administration of contracts
- Optimize economy in purchase, quality of materials purchased, reliability of supply and timeliness of delivery
- Maintain Supplier/Customer liaison – relationship building, negotiation, and communication

In addition to competitive wages we offer a comprehensive benefit package (including major medical, dental, vision care, short term and long-term disability and life insurance), company matched RRSP contribution plan and gain-sharing program.

Roseburg is an equal opportunity employer and committed to providing accommodations for persons with disabilities. If you require accommodation during the recruiting process, please let us know.
